

MARINE LOUDSPEAKERS

IN-WALL

OVERVIEW

Origin Acoustics' Explorer Collection offers a musical experience that is unparalleled in premium installations. With Origin Acoustics' dedication to not only sound reproduction, but to functionality and aesthetics, there is no better choice for your yacht or water-front property. Our loudspeakers disappear into their surroundings while maintaining a maritime weatherproof seal on your bulkheads and ceilings. Coupled with our DSP amplifiers and expert installation, the Explorer Collection delivers a first-class audio adventure.

UPGRADED & COASTAL

Expanding on a proven format, the Explorer Collection In-Wall Loudspeakers benefit from advanced technologies that our engineers have utilized in numerous loudspeaker designs. These loudspeakers are complete updates to our award-winning Composer Collection. Designed for saltwater and sea spray from the beginning, these speakers will hold up in wet rooms, water-front patios, and of course luxury sea-craft.
