

Horizon Soundbar

H z U X

Description

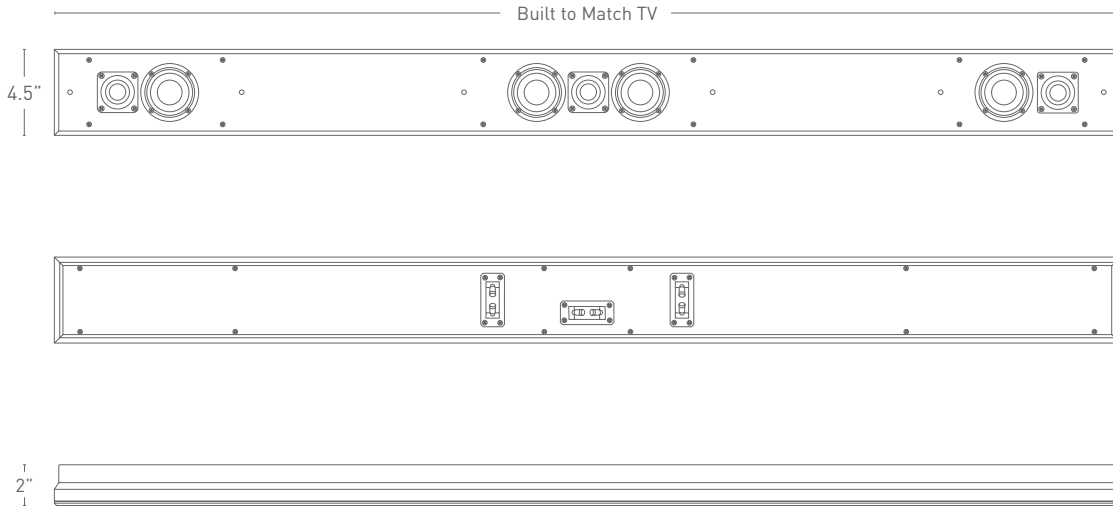

Leon's Horizon ultra-thin soundbars set a new standard in audio performance, providing an unrivaled listening experience in the slimmest possible enclosures. Built to match the exact width of any TV, all of our Horizon ultra-thin models use audiophile-grade components to bring music, movies, and TV to life with stunning detail and authenticity—all in cabinets as thin as 1.75".

Key Features

- Custom built to match the exact width of any TV
- 2.5" ultra-thin woofers and 28mm cloth-dome tweeters provide extreme precision and musical detail
- Ultra-thin 1.75" cabinet (2" w/ grille) perfectly complements any TV
- Easily mounts above or below any TV, or directly to the wall with Leon's exclusive mounting brackets
- Available as Left/Center/Right, Left/Right or Center-only channels
- Ships standard with black fabric grille. Or, upgrade to Designer Grille Fabrics (custom colors available upon request)
- Handcrafted in the USA
